

Assembly Instructions – No Host Script Version

Print out replacement papers

1. Go to: EscapeRoomInABox.com
2. Click the “I want to Be Doc Gnaw!” tab.
3. Password: DocGnaw4EVER
4. Print out all the puzzles (note: some of them are two sided).

Prepare Envelopes

1. Fill “Open at 30 minutes” envelope with:
 - a. Answers Booklet
 - b. Bonus Puzzle
2. Fill “Open at 15 minutes” envelope with:
 - a. Hint Booklet
 - b. “Note from Doc Gnaw – Have you looked everywhere...”
3. Fill “For the Leader” envelope with:
 - a. A1 – Creating a Superhuman
 - b. P1 – Fill in the blank
 - c. P2 – Wordsearch
 - d. P4 – Crossword
 - e. One Transparency (doesn’t matter which one)

Prepare Antidote Bag

1. Fill Antidote Bag with:
 - a. “You found the special vessel” note
 - b. Any prize you want to include as the special vessel – candy, drink tickets, etc. (since that sweet, sweet medallion is all yours to keep!)
2. Zip bag closed and put on black lock (combo 7-8-4). In order to close lock the numbers will have to be set to 7-8-4.
3. Spin the dials back to 0-0-0

Prepare Biohazard Tin

1. Fill the tin with:
 - a. One transparency (doesn’t matter which one)
 - b. A2 – Fixing My Mistake
 - c. P8 – Periodic Puzzle
 - d. Put 1 refill dinosaur capsule inside the test tube, put the cap on and put the filled test tube inside. **If you have run out of dinosaur capsules, you can purchase them cheaply on Amazon. Also, if you are in the United States, Michael’s carries them.*
 - e. The pop out snake. Squish it down as much as you can, stick it inside keeping it compact, then quickly close the lid.
4. Put the black lock from the tin (combo 1-3-5) in the holes to lock the tin closed. In order to close lock the numbers will have to be set to 1-3-5.
5. Spin the dials back to 0-0-0

Prepare Skull Tin

1. Fill the tin with:
 - a. One transparency
 - b. P7 – Missing Element
 - c. Fortune Teller
 - d. Holey “G” Paper.
 - e. The Syringe – Put the letter beads in the syringe out of order. We suggest U-G-O-T-H. Then put the syringe in the tin.
2. Lock the tin with the key lock.
3. Place the key in the middle of the note pad by taping it near the top of a page near the middle of the pad. You can bend the sides a little bit to make the side gap less obvious.

Pack Main Box

1. Velcro the blacklight to the box top.
2. Unscrew the pen and place both UV notes inside then screw it back together. If you can't find the two UV notes, you can purchase UV pens very cheaply on Amazon. One note should say “1-3-5” and the other should have a picture of a diamond shape that matches the one on P3 Step 3 and say “rad manicure.”
3. Put the following items in the box in order from bottom to top:
 - a. Antidote Bag
 - b. “Open at 30 minutes” envelope
 - c. P3 – Connect the dots
 - d. One transparency (doesn't matter which one)
 - e. Both tins
 - f. The Petri dish bottom
4. Close the flaps and thread the two laces through them, then tie a knot. (You can make this knot as easy or hard as you wish!)
5. Put the following items on top of the flaps in this order from bottom to top:
 - a. “Open at 15 minutes” envelope
 - b. Petri Dish Top
 - c. Note pad
 - d. Pen
 - e. “For the leader” envelope.
 - f. “I warned you to keep out!” note
 - g. Red “STOP!” panel
 - h. Rules panel
6. Close box and wish your friends the best of luck!
